

Make Learning Fun!

InPlay's free online Activity Guide makes it easy to find fun and affordable programs year-round. Explore hundreds of local, up-to-date programs to inspire the inventor, explorer, artist, or athlete in your child.

Using InPlay's activity filters, you can tailor your search to fit your child's needs and interests — there are even programs for English language learners and children with special needs!

Find what's next — go to **scc.inplay.org** to discover programs you'll love.
